Deacon Julie's Welcome Service

Many thanks to all who helped in any way to ensure the Circuit Welcome Service run so smoothly. Our team of Stewards, welcomers and furniture movers swung into action and our brilliant catering team ensured that we had a magnificent teatime spread.

We trust that Julie and Wayne enjoyed their first taste of Wesley welcome, worship and hospitality and are looking forward with expectation to the start of their ministry with us.

Next door have the builders in!

You may have noticed that scaffolding is going up again at Greenwich Place. They are having all their windows and doors renewed; a big job which is likely to take over three months to complete. When it was being planned, it was quickly realised that it might cause some inconvenience to our use of the car park. This will be unavoidable, but they have promised to keep this to the very minimum. As their contractors will have two large storage containers in their part of the car park, we have agreed to allow the residents to occasionally use a few of our spaces in an emergency, and likewise we can use theirs. This arrangement is for the duration of the works only. Many thanks for your understanding and cooperation.
