Light Party on 31 October: the children at Saltash Wesley had a brilliant time celebrating light over darkness! We started off with decorating our own light bulbs, before searching the dark church for puzzle pieces, using torches to guide us. The puzzle pieces formed together to make a map of the world, because Jesus is the Light of the World! Our teaching time was about praying to help us conquer fear (Philippians 4:6), then we headed back to the even darker church to find glow sticks. Before out party food tea, we had a joyful boogie to some worship songs.
